

A Discussion of Going Fast

Hal Flescher, IEEE Fellow, SCCA National Champion

Date:

Monday
3 May 2010

Time:

5:30 - 7:30PM

Location:

Jack Ratta Center

Space is limited

To reserve your seat,
please RSVP to
Kristen Fitzpatrick at
k.fitzpatrick@ieee.org

Profession: Nuclear Physicist (ret.)

Passion: Race Car Driver

Join Hal Flescher and your peers for a casual dinner and lively discussion on the "inside track" of race car driving.

- What controls going fast?
- How do we go fast?
- How can we go faster?
- What do the changes we make feel like to the driver?
